Academic Dishonesty

JNICSR expects all of its students to approach their education with academic integrity—the pursuit of scholarly activity free from fraud and deception. - Forgery, fabricating information or citations, or falsifying documents.
- Submitting the work of another person in whole or in part as your own. (including work obtained through document sharing sites, tutoring schools, term paper companies, or other sources)
- Submitting your own previously used assignments without prior permission from the mentor.
- Facilitating acts of dishonesty by others. (including making tests, papers, and other course assignments available to other students, either directly or through document sharing sites, tutoring schools, term paper companies, or other sources)
- Tampering with the academic work of other students.
